What AAP Clients have said

"The quality of the final report was stunning and represented true value for money.

Peter and Michelle are a pleasure to deal with - easy to talk to, intelligent, conscientious and considerate. I have no hesitation in recommending them
Director Warrumbungle Shire Council, NSW

"Many thanks again for all you have done. We could not have hoped for such a successful result without your professional input. It was a pleasure to get to know you both."

"Peter and Michelle Chapman have worked tirelessly in advising, organising, rectifying and submitting our DA, which ultimately led to the unanimous approval of our proposal with Council. Without Peter and Michelle our task would have been too great. The organisation, professional responses and presentation needed, far outweighed the time and ability we had to offer."

P. Davis, Telegraph Point, NSW

"I have been very impressed with the high quality of your work. You offer excellent professional service and customer care as well as short project timeframes and good value for money."

M. Roche, Port Macquarie, NSW

"Your conscientiousness and commitment to the task at hand was always prominent and reflected in your work."

"This is an excellent submission...your research is thorough and you have pushed the right buttons."

"What a great result!"

A. Meidecke, Port Macquarie

"Fantastic! Remember when we met I confessed that I didn't have much understanding of what planners do? Well, through your work, I'm getting a good education. Very impressive."

K. Bestwick, Lake Macquarie
